

RAPID RECIPES

Tiffin Centres, Hotels, Restaurants, Catering Services and Dhabas!

Are You Still Following Old Methods in Your Commercial Kitchen?

Only Top 5 % Business Owners Understand The Power of Minimizing Process Risk and Maximising Profits!

Rapid Recipes have simplified the time consuming pre-processes and preparations in Commercial Kitchens that demands more manpower, energy & time on a daily basis. The best part is Rapid Recipes ensures "Zero wastage" while increasing profits for business owners and hassle free, easy & consistent process support for chefs.

We provide 'Just Mix' and 'Ready to Cook' powders for those Commercial Kitchens who want to increase profits with less work burden and do not compromise on quality and brand-specific taste or flavor.

Why Rapid Recipes?

Our innovative products have practically changed the style of working for commercial kitchens with scientifically driven solutions. The entire process right from purchases to inventory management and quality check has been reduced by procuring Rapid Recipe products with One Point Solution.

Why commercial kitchens prefer us?

Simplified preparation process with no deviations from traditional methods

Got rid of multiple vendors, purchases/payment cycles & use of pre-processing machineries

Reduced inventory & manpower

Taste, texture and flavour is customized as per their brand requirement

Standardized food formulations through R&D driven solutions

Guaranteed Consistency on taste, texture and flavor

Can accept unlimited orders 24/7 and serve in less than 15 mins

Seen a spike in orders with more profits
